**Subject: Empanelment of DAV Centre for Academic Excellence with CBSE**

Dear Sir/Madam

This is to inform you that **DAV Centre for Academic Excellence (DAVCAE)** has been empanelled with the CBSE as a training provider for the regular capacity building of Principals, teachers and students of DAV Schools. In this respect please take a note of the following:

1. All the training needs and requirements of Principal, staff and students should be addressed to your respective **DAVCAE Regional Training Centre (RTC)**.
2. All the capacity building programmes for DAV Principals, teachers and students will be centrally planned and designed by the DAV Centre for Academic Excellence (DAVCAE) and organized by the DAVCAE Regional Training Centre locally.
3. DAV Schools are under no compulsion (or threat of disaffiliation with CBSE) to invite other empanelled agencies of CBSE for training of their staff.
4. Other agencies may be hired only if they are offering exceptionally good content and under direct intimation to the DAVCAE.

We look forward to continued trainings and workshops.

Thanking You  
Yours Sincerely
